THE
KALDRON

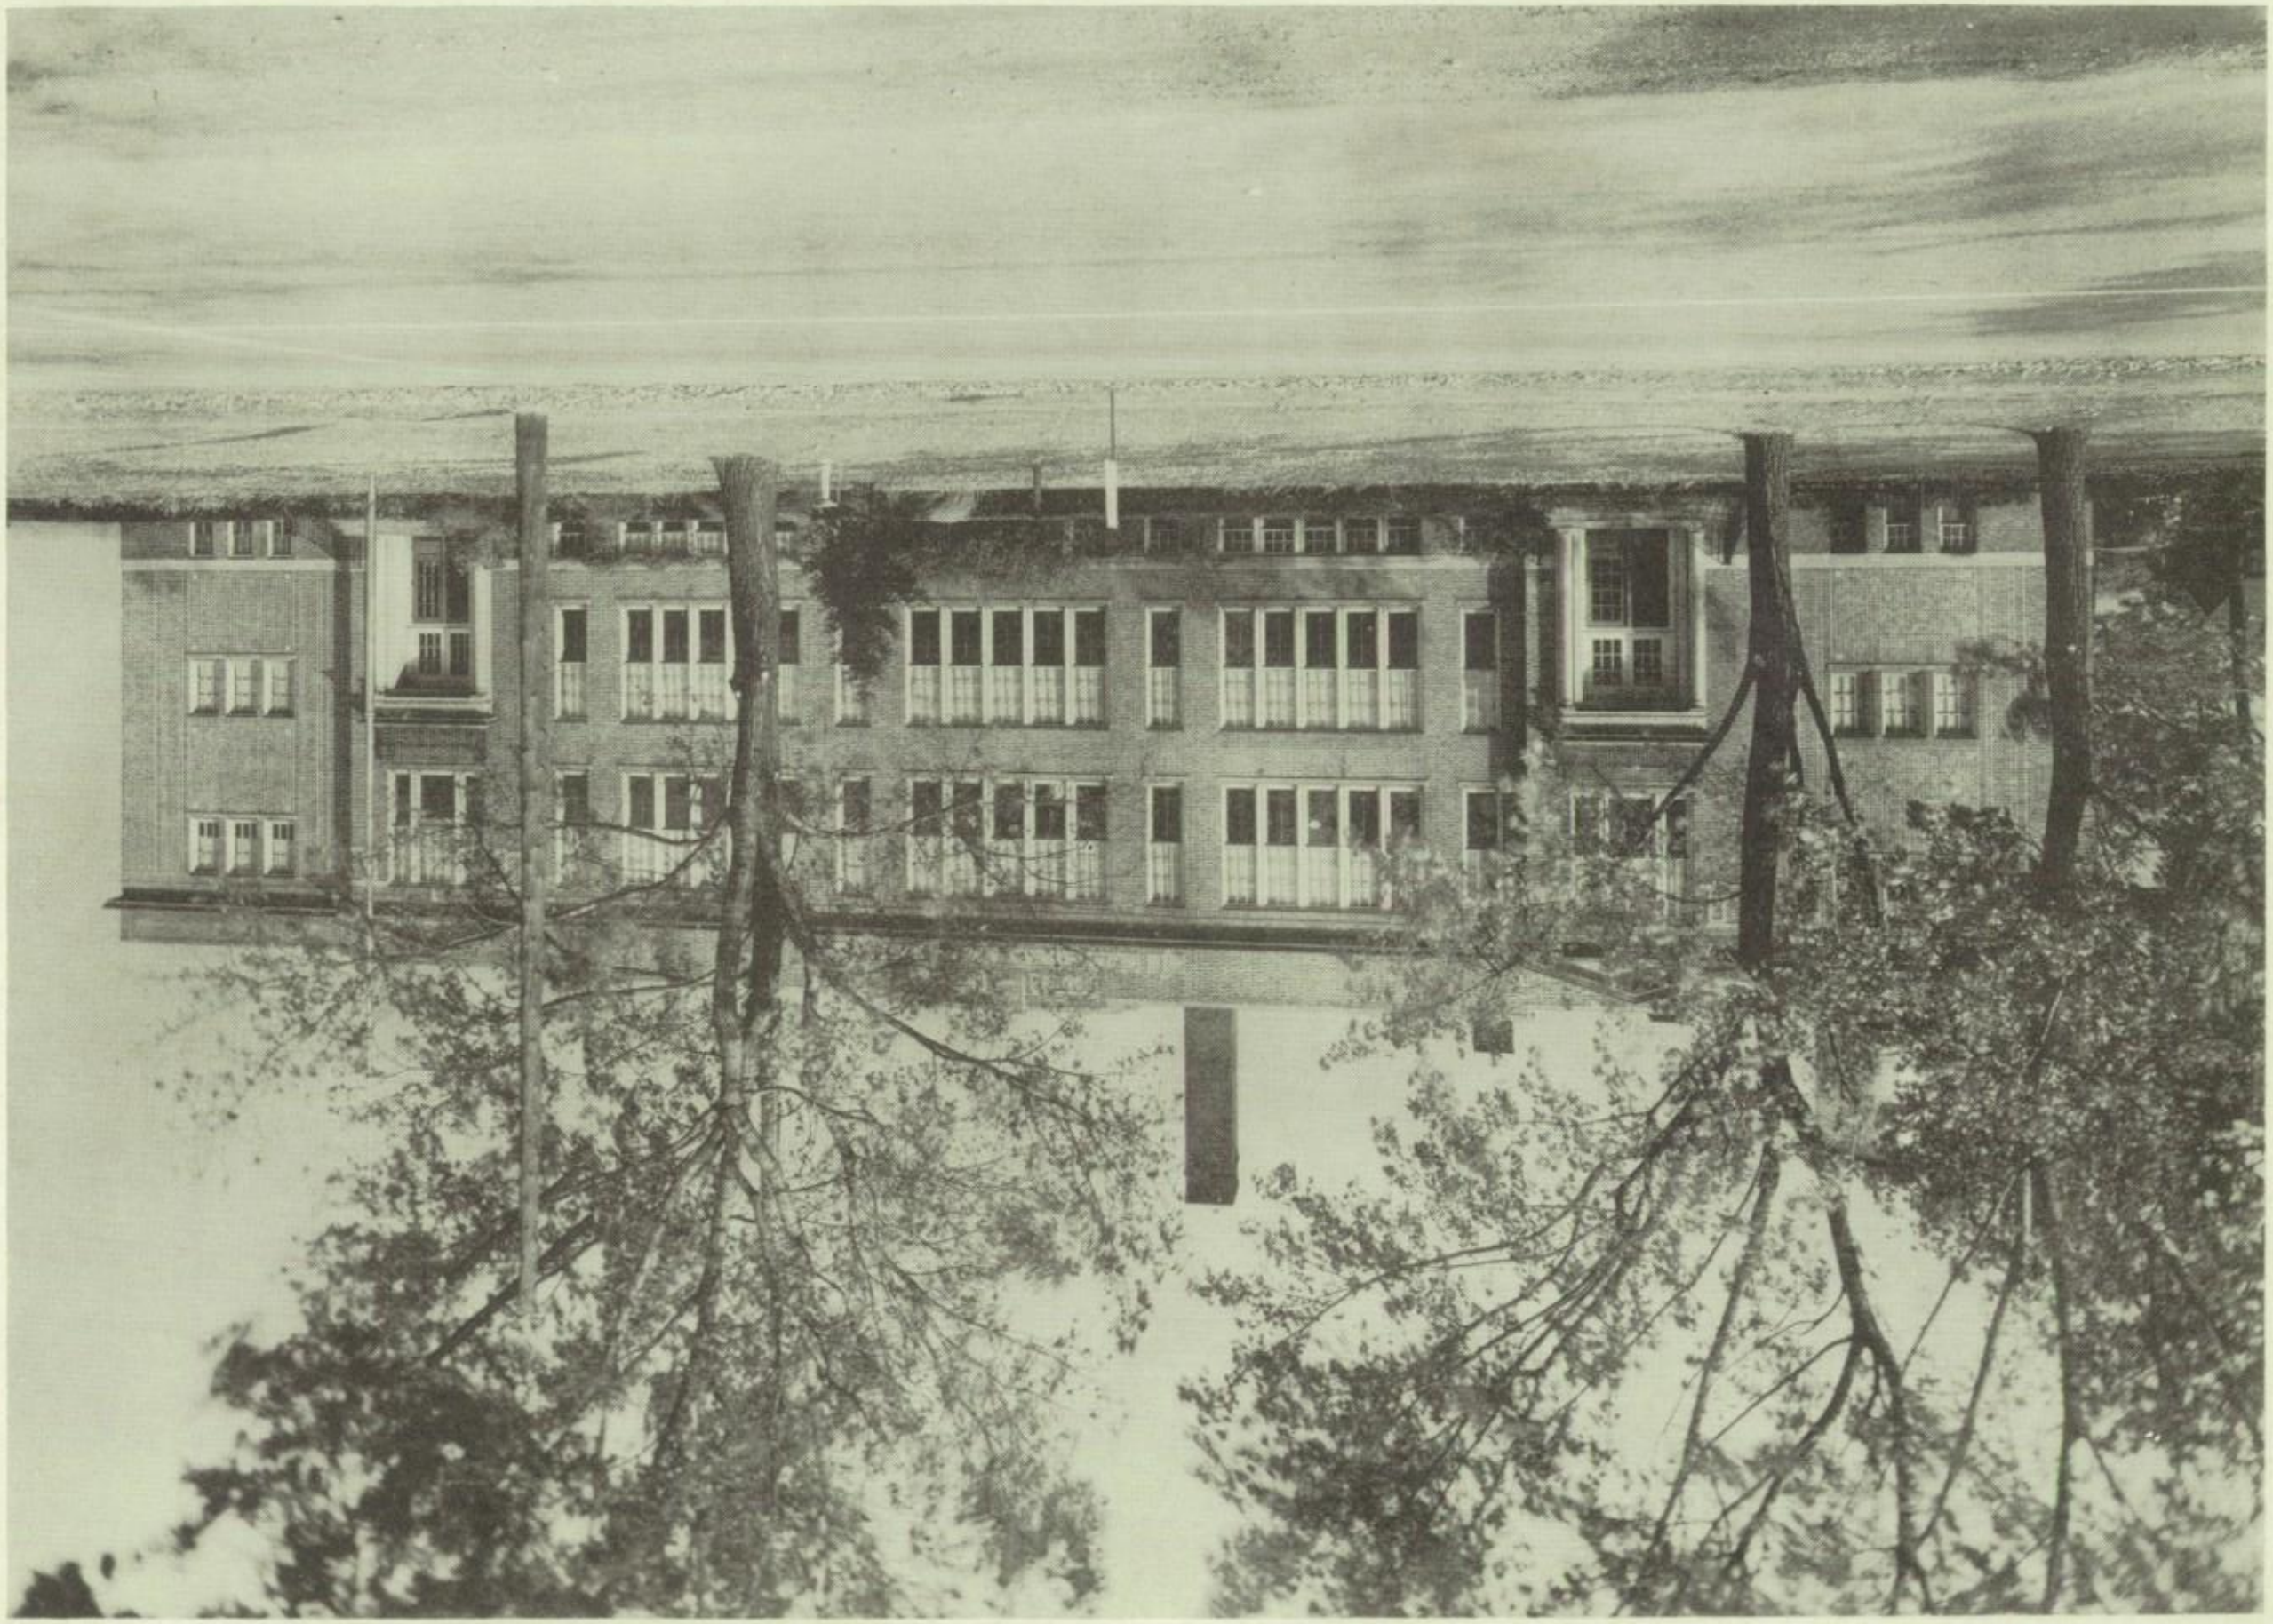
VOL. XVII - - 1943

PUBLISHED ANNUALLY BY

The Senior Class of

Millcreek High School

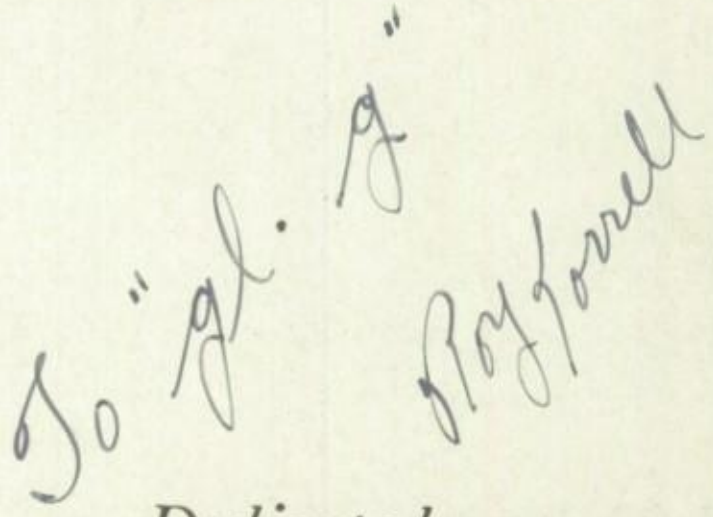
ERIE COUNTY ERIE, PENNSYLVANIA



Foreword

In editing this seventeenth edition of the Kaldron we, the Kaldron Staff of 1943, have attempted not only to create a permanent record of our final year at Millcreek High School, but also to emphasize the fact that we spent our final year in a country which still maintains that freedom should be the basis of its government. You will find that each division of this book not only forms a part of that permanent record, but also brings out some one detail of that freedom we enjoy.

Today some of those details may not be entirely truthful. In peace times we don't realize we have these many assets to our way of living; but now when some of them are temporarily, but necessarily taken from us, we miss them. Perhaps this really should have been a peacetime yearbook. If so, let's all work just that much harder to bring it back into style again.



Dedicated

to

ROY KORREL

with sincere gratitude for his untiring efforts and wise counsel in helping our graduating class through all the years of our association.

Class Histories

JUNIORS

The Juniors, the graduating class of "44", have contributed a great deal to the success of Millcreek's innumerable activities.

Through the year they have had two skating parties, a class party, and still to come is the JUNIOR-SENIOR PROM.

The officers they chose were:

President . . . . . Jim Hellman
Vice President . . . . . Doris Hetrick
Secretary . . . . . Ruth Knipper
Treasurer . . . . . Hubert Golden
Faculty Advisors . . . . . Miss Powell, Mr. Lloyd

SOPHOMORES

Millcreek's invincible "Sophies"! This class was well represented on the football and basketball teams, in the school orchestra, band and the chorus.

Officers for the year included:

President . . . . . Dave Long
Vice President . . . . . John Stenstrom
Secretary . . . . . Donna Zimmer
Treasurer . . . . . Dick Wolf
Faculty Advisor . . . . . Mr. Bolkey

Although their activities weren't too numerous, the skating party and class party and dance they held were all successful and well attended.

FRESHMAN CLASS

Back from summer vacation in September of 1942, there assembled one of the largest Freshman classes ever to come to Millcreek.

Buckling right down to the job, they elected officers who were:

President . . . . . Eugene Berger
Vice President . . . . . Janet Smith
Secretary . . . . . Ruth Zetterholm
Treasurer . . . . . Glenn Will
Faculty Advisors . . . . . Miss Johnson, Mr. Franklin

Their skating party and basketball dance were both a great success as well as all their other school activities.

The school spirit displayed by the "Freshies" gives promise of future greatness.

EIGHTH GRADE

This year's enrollment in the eighth grade is 143 ambitious and energetic boys and girls. They are looking forward eagerly to their Freshman year.

Their few activities for the year included participation in intercollegiate basketball and the presentation of enjoyable assembly programs.

SEVENTH GRADE

They were perfect strangers when they first came to Millcreek's halls but under the supervision and guidance of Mr. Korrell, Miss Cook, Miss Luke, and Miss MacKenzie, they lost their timidity and are now as much a part of our high school as any of the other classes.

Determined to uphold the standards set by other classes who started out as seventh graders, this class of 121 students has been successful in their activities and curriculum.

PRESS CLUB

"Buy a Hub" is a familiar cry heard every two weeks at Millcreek. It was not until 1937 that the present school paper was published here, but since then, through the creditable efforts of the Press Club, the "Hub" has made great progress.

Due to war conditions, this year in many places, school papers have had to discontinue. Millcreek has been very fortunate in that it has had to cut only one page.

Since Bob Olson, the former editor, took a full-time war job in addition to his school work, the "Hub" was taken over by Mary Alice Buseck in the middle of the year.

The "Hub" Staff is under the capable direction of Miss Joan Breault.

GIRL RESERVES

The Girl Reserves was formed in 1941 by the Student Council. It is one of the most outstanding organizations in the school.

With the opening of the school this year, work was begun by Jean Brown, President; and her capable assistants; Doris Love, Vice President; Arlene Fletcher, Treasurer; and Helen Arnold, Secretary. But due to many other duties, Jean was forced to resign and Marian LeVesque was appointed by the Cabinet to take her place for the remaining part of the year.

The Girl Reserves were able to send two representatives to the Winter Conference, and to purchase a school flag, which was hung in the auditorium.

We feel that this organization will be a great success in the future and will live up to the standards set by previous years.

F.F.A.

The Future Farmers of America or "F.F.A.," as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture in public secondary schools under the provision of the National Vocational Education Act.

As an integral part of the program of vocational education in agriculture in the public school system of America, the F.F.A. has become well known in recent years. No national student organization enjoys greater freedom of self-government under adult counsel and guidance than Future Farmers of America. Organized in November of 1928, it has served to motivate and vitalize the systematic instruction offered to students of vocational agriculture, and to provide further training in farmer citizenship.

The Senior High officers are: President, Lewis Schrader; Vice President, Betty Sopp; Secretary, Anne DeLancey; Treasurer, Evelyn Hardner.

LIBRARY

During the past year, the Library Club, under the guidance of Miss Joyce, who replaced Mrs. Sampson as librarian, has served the students well. The twenty regular members assist in the library during their free periods and, by their timely suggestions, from month to month, make the bulletin boards more interesting. Those who are in the club have gold pins which signify their membership. The officers of the organization are:

President, Lewis Schrader; Vice Pres. Vivian Allen; Secretary and Treasurer Jean Honey; Historian, Yvonne Smith.

PATROL

The Hall Patrol has served our high school for five years, sponsored by the Student Council. It consists fo boys from the eighth to the twelfth grades, knowing the proper regulations of Millcreek's hall traffic.

The main rule of this organization is "keep to the right of the black line." The Hall Patrol has no social activities but each member receives a reward at the end of the year.

DEBATE

This year our debate team works under a handicap, having no one from previous Millcreek debate teams to guide them. Not halted by this difficulty, the debaters opened the season on March 5.

.This year's debate question is: Resolved, "That A Federal World Government Should Be Established."

The affirmative team consists of six members with Miss Owen as advisor.

The negative team includes five members with Miss Joyce as advisor.

HALL MONITORS

This organization was founded by the Student Council. It is now under the capable supervision of Mr. Nason

These monitors are stationed in the hall each period of the day. It is the monitor's duty to prevent loitering in the halls. This system has been most successful in the past and will become more efficient as the co-operation between the members of the faculty and the pupils increases.

KALDRON

This year the Kaldron Staff, with Miss Zuck as editorial advisor and Mr. Korrell as business advisor, has made great effort to make a yearbook which is worthwhile, entertaining and of interest to their fellow students. From the time school opens in the fall until the doors close in the Spring, members of the staff are gathering information and putting it into book form. Your approval is its only reward.

The complete Kaldron Staff will be found on the last page of the opening section.

COMMERCIAL

This club is under the efficient direction of Miss Zuck. Her girls help her in typing all the tests and checking all commercial work.

The officers of the club are:

President, Marian Hills; Vice President, Jean Hitz; Secretary, Ruth McDonald; Reporter, Doris McCamey.

Miss Zuck had a Mother and Daughter tea for the club in November. We hope this club will continue with its useful work.

Music

Among the various musical organizations of Millcreek the band and orchestra rate very highly.

The band, the larger of the two, has grown rapidly during the last few years and has gained prominence among the school bands of Erie County.

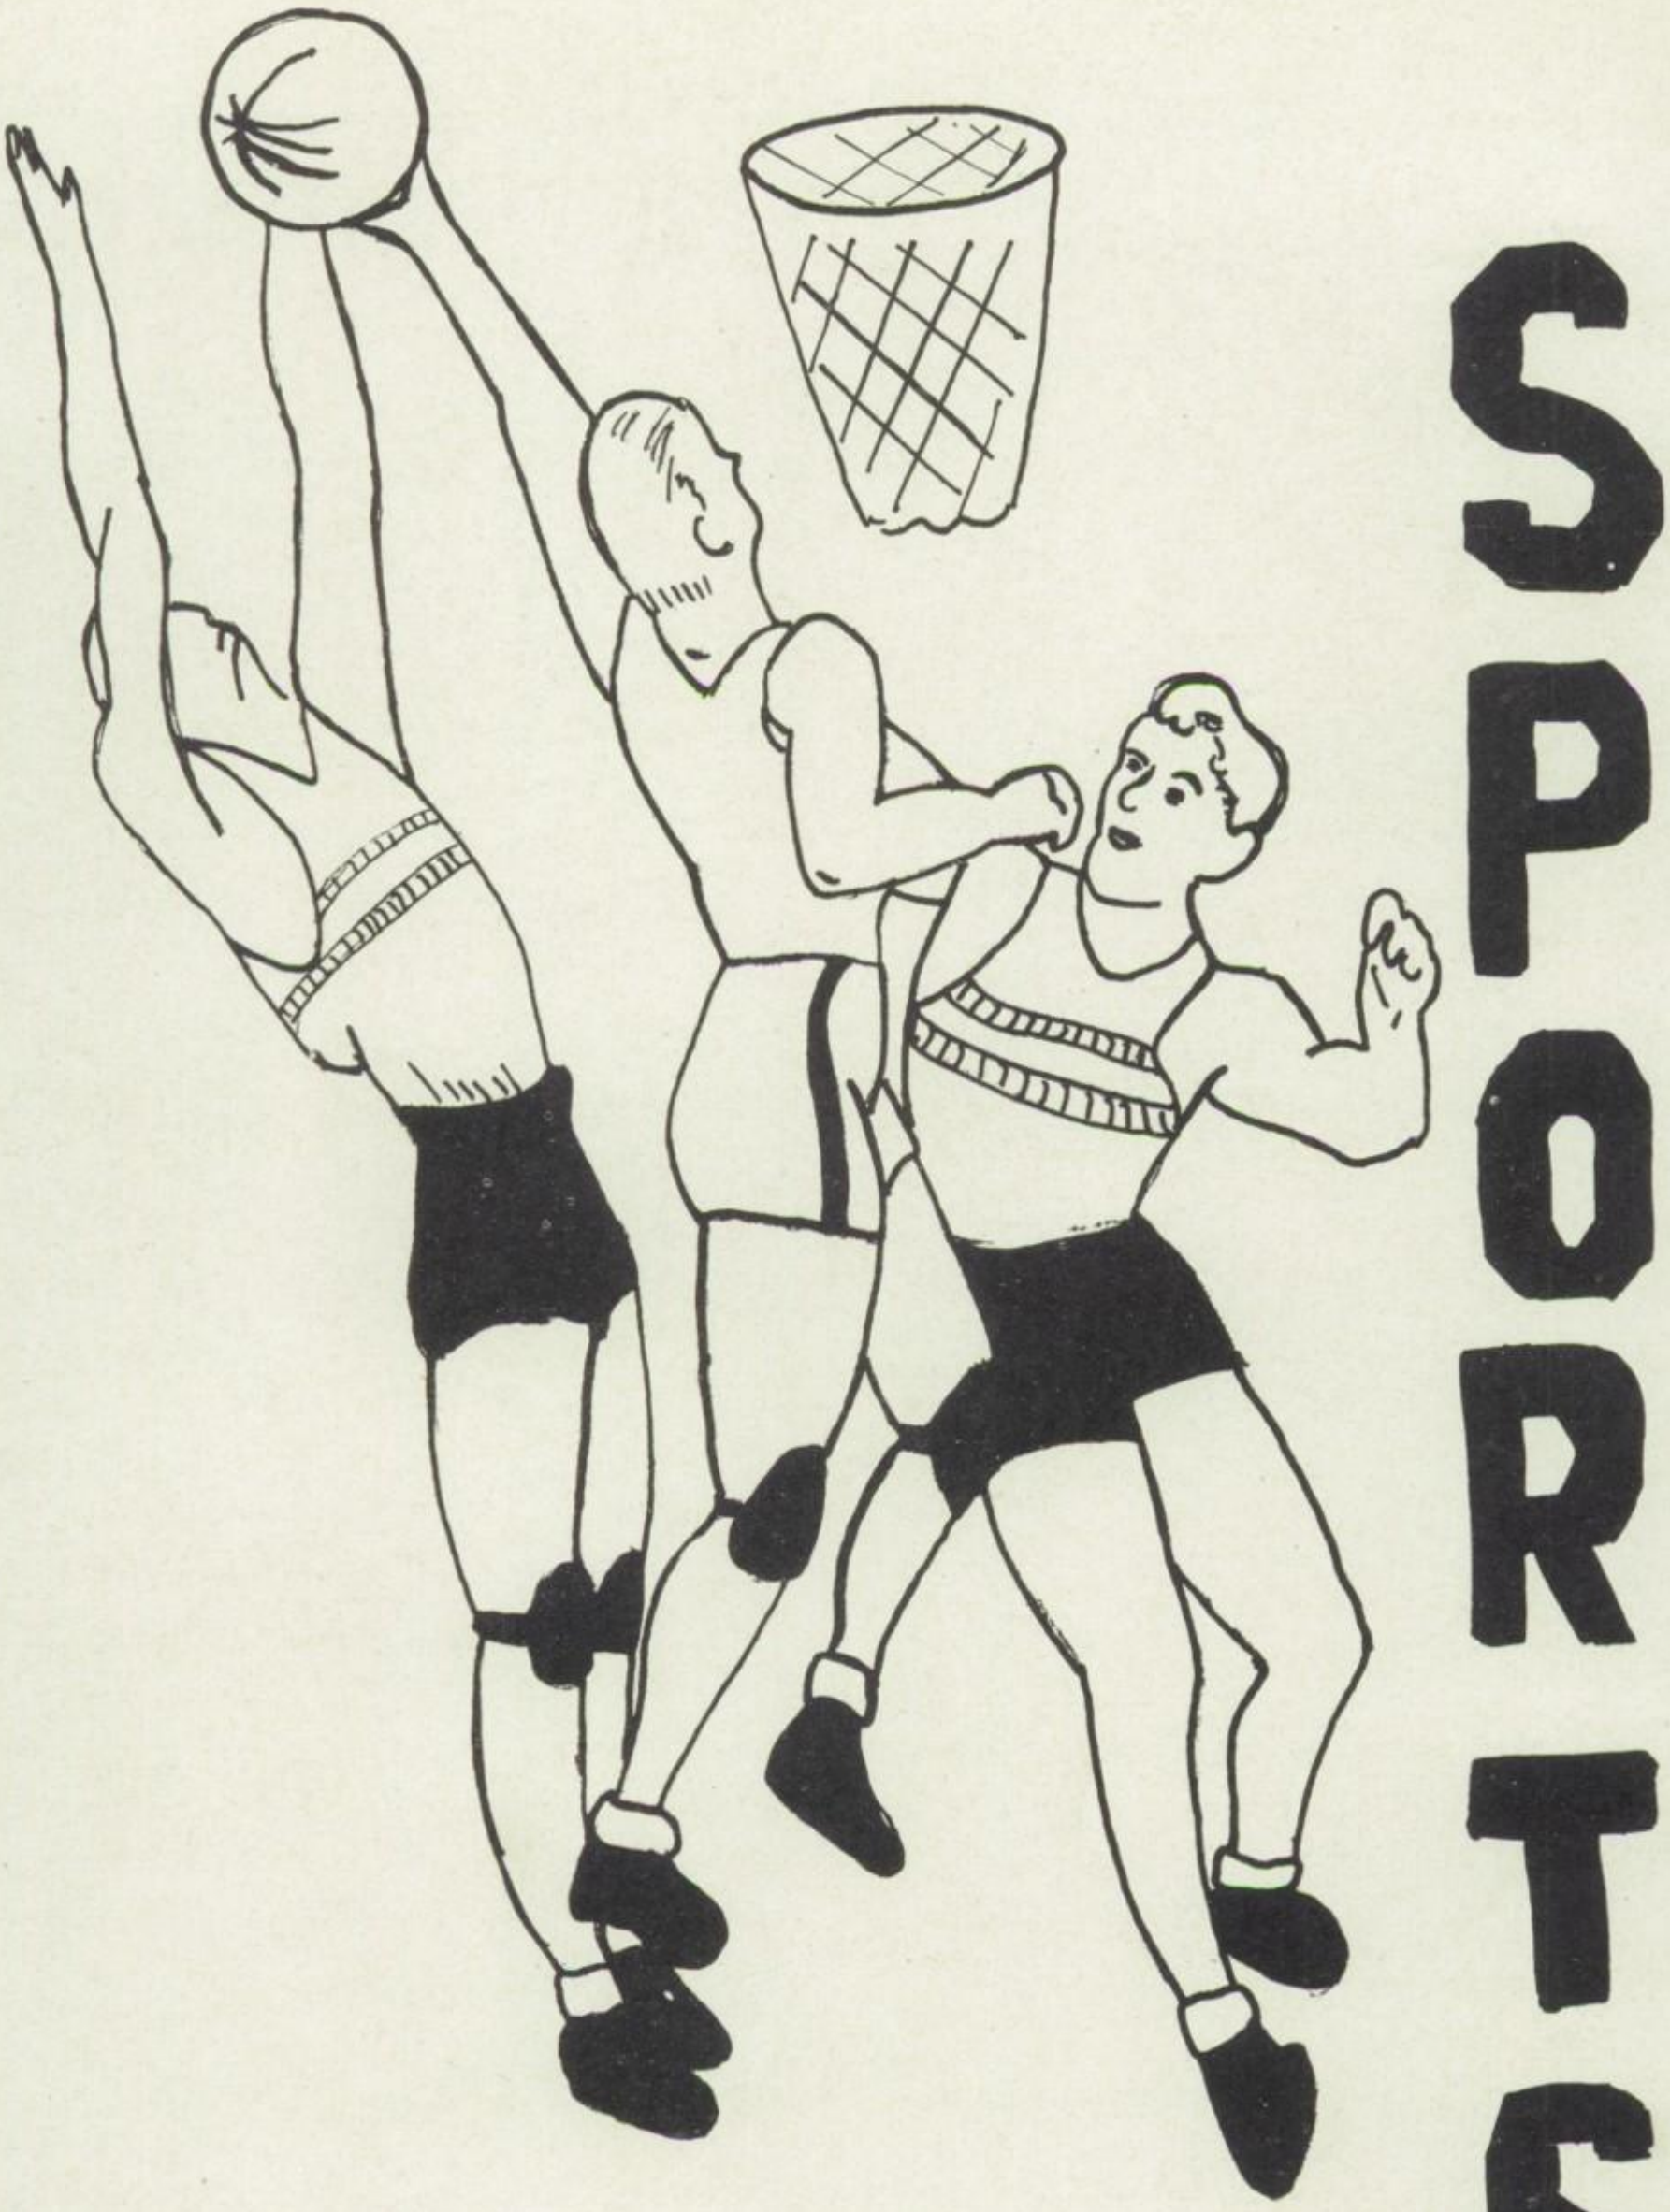
The orchestra, although much smaller, was established many years before the band and was one of the first musical organizations promoted by the High School.

Many of the members of both groups have been given the opportunity of playing in the "All County Band and Orchestra" which is organized each spring.

This year the chorus, due to its size has been divided into two sections. The honor of belonging to the A Capella was granted to a few members of both choruses.

Two quartets were formed by the Seniors and although all of the other musical organizations were somewhat restricted due to rationing, these students were able to appear on several different occasions.

Although they have had various teachers during the past year the musical groups are still very well organized. They are now under the very able direction of Mrs. Byers.



SPORTS

Freedom in carrying on friendly competition

Sports

The Millcreek Trojans started the football season not to well fixed with veterans, but well stocked with eager first year material. Returning lettermen from last year's championship squad were Walt Taylor and Red Tousey, co-captains, Ray Winslow, Jack Naylor, Ray Lapensz, and Elmer Scholtz.

As the season wore on, Millcreek fans decided that they would have to wait until a future year for another championship team like the one of '40-'41. All tolled Millcreek wound up in third place with four wins, two ties, and two defeats. Returning lettermen for next year's team include Jack Naylor, Dave Long, Mert Sawdey, and Howard Godfrey.

Due to the gasoline shortage the County Basketball League was somewhat "streamlined" this year. That is the sixteen teams in the county were divided into four sections. Millcreek was represented in section one along with West Springfield, Fairview, and Girard. With the following lettermen—Winslow, Spangler, and Alstadt— Gus Anderson coached the team through nine victories against three defeats and to the championship of section one, by defeating West Springfield by a 32-29 margin on our home court. A blow was dealt earlier this year when John Alstadt, regular forward, joined the Navy.

The returning lettermen for next year are Jack Naylor, Lloyd Johns, Jim Sheridan, Jim Swanson, and Burt DeLancey.

When football, basketball, and class basketball are included a large percentage of Millcreek's boys have participated in the field of sports.

Front row—Raymond Lapensz, Herbert Kline, Jack Naylor, Merton Sawdey, Walter Taylor, Norman Tousey, John Salzer, Robert Olson, Ernest Katzwinkle, Raymond Winslow, Howard Godfrey.

Second row—Robert Larson, Emmett Phillips, Russel Silverthorn, Glenn Ewer, Clifford Taylor, Jack Cronin, Gerald Kohl, Floyd Hill, Theodore Nyberg, Thomas Wells, Arthur Hetz.

The cheerleaders wish to extend their thanks to the faculty and student body who helped to make the year a grand success.

Senior Class Play

The Senior Class presented its annual play, entitled "Ever Since Eve," on November 6, 1942.

The play, a comedy in three acts by Florence Ryerson and Colin Clements, and published by the Samuel French Company, was a smash hit.

The story centered about a boy of seventeen whose name was Johnny Clover. He was a studious boy who took life rather seriously. Johnny's pet peeves were his newspaper office, which his mother had redecorated to look like his old nursery, and his childhood playmate, Susan Blake. She was just fifteen and at the mischievous stage. Johnny's friend, Spud, also had a problem in his sister, Betsy, who was a very talkative little girl who always made herself a part of every situation. Lucybelle, a southern girl, entered the picture and caused a conflict in the love-life of Johnny and Spud. As the play progressed, things arranged themselves so the play ended happily for all concerned.

The cast included the following:

Mrs. Clover .....Marian LeVesque
Johnny Clover .....Harold Morgan
Mr. Clover .....Clifford Hammer
Spud Erwin .....Kenneth Graham
Susan Blake .....Nancy Drexler
Betsy Erwin .....Elaine Deininger
Martha Willard .....Anne DeLancey
Officer (Cappy) Simmons Lewis Schrader
Henry Quinn .....Max Morgan
Lucybelle Lee .....Ruth McDonald
Preston Hughes .....Morris Miner

Football Players: Herbert Kline, Jack Cronin, Woodford Cassady, Ernest Katzwinkel, Cecil Clinton.

DON'T QUIT

When things go wrong, when the road
you travel seems all up hill;
When funds are low and debts are high,
When care is pressing you down a bit,
Rest if you must—but never quit.

Life is queer, with its twists and turns
And many a failure turns about,
When he might have won if he'd
stuck it out.

Success is failure turned inside out.
You never can tell how close you are—
It may be near when it seems far.

So stick and fight when hardest hit—
It's when things seem worst,
That you mustn't QUIT.
